Wouldn't Be a Bad Idea for the Other Boxers to Follow Suit and Do Some Real Fighting; Whaddye Know About It?

Kelly Begins Training; Harlemitte Getting Busy

Is Pitching Into Work For His Coming Bout With "One Round" Hogan at Juarez; Hogan Is Showing Excellent Form in His Training Also; Are Working Out in El Paso.

EDDIE KELLY, the Harlemitte, was on exhibition Thursday afternoon at Juarez before a large crowd of fight fans who, after witnessing the work-out, are in the opinion that the little scrapper is one of the fastest butlers of his weight in the squared circle. As it was his first fight, Kelly was not in the round with Frankie O'Connell. Kelly went only four fast rounds with "Kid" Rose and "Kid" Curry, the aggressive little Harlemitte can handle them.

Kelly carries a dangerous punch in either arm and this fact, coupled with his natural speed and cool headwork, is relied upon to make him a favorite over Hogan in their coming fight. Hogan was reported as a 7 to 1 favorite Thursday, with the money wagered, but it is believed that the Harlemitte will ultimately take the favorite with the sporting fraternity, because of his youth, stamina and speed.

Kelly Two Handed Boxer.

The Harlemitte in his boxing workout with "Kid" Curry, showed an impression among those present by his effective work with his left hand and a longer reach than Hogan, and if training camp performance is to be taken as a criterion, has a much faster left hand and is a more vicious two handed boxer than the San Francisco, who, however, carries a deadly punch in his right.

When leading with his left hand, the right arm of Kelly acts as guard for his position counter or hook on the part of his opponent to either head or body.

Gandil Ranks High As First Baseman Like Whaling, He Is Former El Pasoan

BY B. B. CADDLE.

FOUR writers in the "big show" discussing the players in the National League of today, are somewhat divided in their opinion. But all agree that "Chick" Gandil is one of the best first basemen in the National League.

The older first baseman of the National League is one of the best. He is a former El Pasoan, having played with the El Paso team in 1907. He is a former El Pasoan, having played with the El Paso team in 1907.

Pennant Contenders Strong; Show Best In Tight Games

Clubs Invariably Make Best Records in Extra Inning Games; 1 to 0 Contests and Battles Decided in Ninth Inning; Cubs, Giants and Cardinals Prove the Truth of the Contention.

BY ELMER J. LANGRAN.

CLUBS that are pennant possibilities invariably make good showings in extra inning games. The National League of today is no exception. That is what a veteran baseball writer says. The same being Frank Bancroft, business manager of the Cincinnati Reds.

Frank Chance Overrated; Players Win The Pennants

"Peerless Leader" of Chicago Cubs Falls Down During the Two Years He Has Directed the New York Yankees; He Has Released Men Who Have Invariably Turned Out to Be Stars.

BY FRANK G. MENKE.

AS a baseball manager Frank Chance, who has been overrated, is the opinion of the fans who have watched him direct the New York Yankees since the winter of 1912.

The Yankees finished seventh last year, only one point ahead of the Athletics. They have made a showing this year that is only a trifle better than in 1913, and the chances are five to one that they won't finish better than seventh.

This situation has caused many of the fans to look back over Chance's career as manager of the Cubs, and the longer they look the dimmer grows the halo that placed around Chance's head because the Cubs won four pennants and two world's championships while he was at the helm.

Rivers and Cross Show Much Class Dundee Wants To Fight Johnny Kilbane

BY JAY DAVIDSON.

LOS ANGELES, Calif., Aug. 7.—With Joe Rivers and Freddie Cross showing good form in their training work, the two men are assured a high class battle at the Vernon arena next Wednesday night. The bout really stands up as the classiest night scrap that has been held here for months, as the two men have much at stake.

The European war seems to have put a crimp in the plans of Tom Jones. Jones has postponed his trip to Europe in the interests of Jess Willard and it may be some time before the big Kansas farmer can land a bout with Jack Johnson.

According to advice from the east there is little chance for the boxing game to boom in London or Paris for some time to come, inasmuch as Johnson is practically barred from making a visit to Europe.

Willard is not the only one who will lose out through the war upheaval. Charley Jones has been promised a fall date with Johnny Williams for the heavyweight championship of the world, and now it is very doubtful if the little Frenchman will be able to come to America.
